)

This matter comes before the Public Service Commission of South Carolina (the "Commission") on the request of Volo Communications of South Carolina, Inc. ("Volo" or the "Company") for an extension of time in which to prefile the Company's testimony and exhibits regarding Volo's Application for a Certificate of Public Convenience and Necessity for authority to operate as a provider of local exchange and interexchange telecommunications services within the State of South Carolina. As set forth in Commission Order No. 2003-713 (Order Establishing Prefiling Deadlines), issued December 10, 2003, Volo was originally scheduled to prefile the Company's testimony and exhibits on or before January 28, 2004.

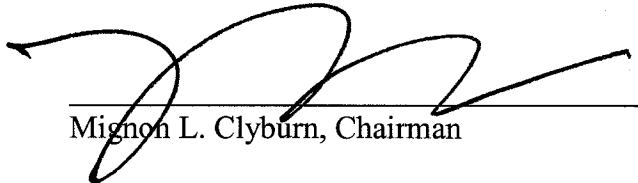

By electronic transmission on January 30, 2004, the Company's President and CEO submitted a request for an extension to prefile Volo's direct testimony and exhibits in the present docket. Volo added in its request that a time frame of delivery of February 2, 2004, would be sufficient to produce the Company's testimony and exhibits.

Upon consideration of this matter, the Commission discerns no prejudice to any party in granting the requested extension and concludes that the request of Volo for an extension to file its testimony and exhibits should be granted. We approve and grant Volo's request for an extension of time to prefile the Company's testimony and exhibits. Accordingly, Volo shall prefile and serve its direct testimony and exhibits on or before **February 2, 2004**. (Volo may file and serve the direct testimony and exhibits by mail on the indicated date.) We note that Volo's direct testimony and exhibits were filed with the Commission on February 2, 2004.

Furthermore, all other requirements set out by Order No. 2003-713 remain in effect.

This Order shall remain in full force and effect until further Order of the Commission.
